HOW TO USE

Get groovy with your mini retro turntable!

Set the mood: Find a cosy spot, dim the lights, and find a stable surface for your mini turntable.

Power it up, and set the record on the platter.

Use your fingers to press on the silver dots located on the back of the disc and rotate the disc while keeping the dots pressed.

Let the music flow!

Comes with two records, so get ready to vibe!

Jazz it up: put on the jazz vinyl, sway and snap along to the soul-soothing melodies.

Rock the house: Switch to the rockin' vinyl, jump, head-bang, and release the energy of rock 'n' roll.

Add a touch of nostalgia and some musical joy to your day!
