----------------------	-----------------------	---------------	------------------	-------------------

## Assembly Instructions

### **Step 1.**

Insert the longer side rails (A x 2 pcs ) through the pockets on the long side of mat C.

Insert the short side rails (B x 2 pcs ) through the pockets on the short side of mat C.

### **Step 2.**

Align the curved end of the shorter side rails with the screw hole on the longer rail.

And hand fasten with provided screws (D x 1 pc ) and Hex key E . Don not tighten at this stage.

**Step 3.**

Repeat step 2 for the remaining screws holes until all four sides are together.

Use the provided hex key E to tighten all screws. Do not over-tighten.
