12 month warranty

Thank you for your purchase from Kmart. Kmart Australia Ltd warrants your new product to be free from defects in materials and workmanship for the period stated above, from the date of purchase, provided that the product is used in accordance with the accompanying recommendations or instructions where provided. This warranty is in addition to your rights under the Australian Consumer Law. Kmart will provide you with your choice of a refund, repair or exchange (where possible) for this product if it becomes defective within the warranty period. Kmart will bear the reasonable expense of claiming the warranty. This warranty will no longer apply where the defect is a result of alteration, accident, misuse, abuse or neglect. Please retain your receipt as proof of purchase and contact our Customer Service Centre on **1800 124 125 (Australia)** or **0800 945 995 (New Zealand)** or alternatively, via Customer Help at **kmart.com.au** for any difficulties with your product. Warranty claims and claims for expense incurred in returning this product can be addressed to our Customer Service Centre at 690 Springvale Rd, Mulgrave Vic 3170. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. For New Zealand customers, this warranty is in addition to statutory rights observed under New Zealand legislation.

WARNING › Do not dispose of unit in fire or water. › Never attempt to disassemble and reassemble. Waste electrical products should not be disposed of with household waste, please recycle where facilities exist. Check with your local authority for recycle advice. › Keep your device and all accessories out of reach of children and animals. Small parts may cause choking or serious injury if swallowed. › Avoid exposing your device to very cold or very hot temperatures (below 0°C or above 40°C). › Extreme temperatures can cause deforming of the device and reduce the charging capacity and life of your device. › Do not allow your device to get wet, liquids can cause serious damage. Do not handle your device with wet hands.

Important Safety Instructions

- The following safety precautions should always be followed, to reduce the risk of electric shock, personal injury or fire. It is important to read all of these instructions carefully before using the product, and to save them for future reference or new users.
- › This product must only be used as intended in accordance with the enclosed operating instructions.
 - › If the external flexible cable or cord of this luminaire is damaged, this product should be discarded.
 - › If the luminaire stops unexpectedly or appears to malfunction, switch off the power supply and stop using immediately. Seek professional advice to rectify the fault or make repairs.
 - › Switch off the power supply when not in use, before cleaning or changing accessories.
 - › Keep the luminaire and cable away from sources of heat, sharp objects or anything that may cause damage.
 - › Be aware that some surfaces may become hot. Do not touch hot surfaces and supervise others accordingly.
 - › This product has not been designed for use by children. Children should be closely supervised at all times when they are near any electrical appliance.
 - › To protect against electric shock, never allow the luminaire come into contact with water or any other liquid.
 - › Never reach this luminaire that has fallen into water. Do not re-use until the product has been inspected and approved by a qualified electrician.
 - › Do not use outdoors. This luminaire has been designed for domestic indoor use only.
 - › Use only a microfibre and dry cloth for cleaning the product.
 - › Operate carefully to not cause any damage by dropping or physical shocking it.
 - › Do not leave the product in excessive heat, high temperatures can cause the product to malfunction.
 - › The light source of this luminaire is not replaceable; when the light source reaches its end of life the whole luminaire shall be replaced.
