To ensure maximum life of the rechargeable batteries in your grooming kit, follow these guidelines:

- Do not recharge the unit between sessions. Wait until the batteries are exhausted before recharging.
- Discharge the batteries completely twice a year (switch ON and run until the groomer stops).
- **IMPORTANT!** Do not use the groomer while charging.
- Do not charge the unit when the temperature is below 0°C or above 40°C
- Avoid recharging the unit in direct sunlight or near a radiating heat source.

OPERATING INSTRUCTIONS

Hair Trimmer

WARNING:
Switch off the device before replacing or changing the attachments

NOTES:
The hair to be dressed must be dry.

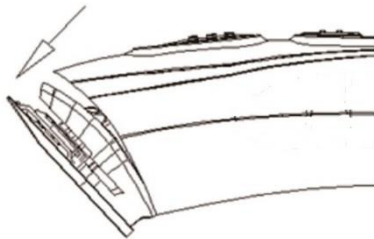

NOTES:
The cutting length may deviate depending on the cutting angle. Please start with a comb attachment with a longer cutting length and then, in the course of cutting process, use shorter cutting lengths step by step.

1. Select the desired hair trimming attachment.
2. Attach the hair trimmer to the main unit. Push on the attachment by inserting the bottom bracket of the attachment into the slot of the main body then press the upper part of the attachment onto the device until it audibly and firmly locks into place.
3. Insert comb attachments, press carefully over the hair trimmer head to the bottom end of the comb attachment until it locks into place.

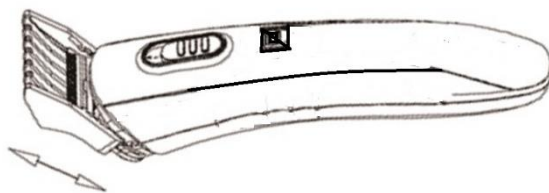

4. Turn on the hair clipper.
5. Start by cutting hair in neck or on the sides and cut towards the centre of the head. Then, cut the front section of the hair towards the centre of the head.
6. Hold the device so the the comb attachment rests flat on the head. Move the device evenly through the hair.
7. If possible, cut against direction of hair growth.
8. In order to catch all the hair, move the device several times through the same section of the hair.
9. Comb the hair repeatedly and well.
10. To withdraw the blade, hold the groomer with both hands and press the blades out with your thumb and support the blades at back to avoid falling.

Beard Trimmer

1. Slide the beard comb into the guiding grooves on both sides of the handle.

2. Slide the comb to the desired setting. The beard comb cuts hair to a length of 3-6mm.
3. Comb the beard in the direction of growth.
4. Cut the beard from the ear to chin downward.
5. Use the beard trimmer attachment without the comb attachment will cut the beard very short or to cut the moustache and hairline.

Precision trimmer attachment

1. Use the precision trimmer attachment to shorten and shape your moustache, whiskers, sideburns or eye brows.
2. Position the edge of the attachment at the desired height of the hair line and move the hair

trimmer.

Foil Shaver

1. Before using the shaver, always check it for wear and damage. If the shaver shows signs of wear or damage, do not use or it may cause injury.
2. Pre-trim the contours desired with the hair trimmer or precision trimmer.
3. Gently press the shaver onto the skin and shave along contoured edges to remove any stubbles. Do not press too hard.
4. Any areas that are harder to shave, such as chin, stretch the skin for a better result.

Nose/Ear Trimmer

1. Slowly insert the metal tip into one of your nostrils or ears.
2. Move the device in circles to cut the hair.

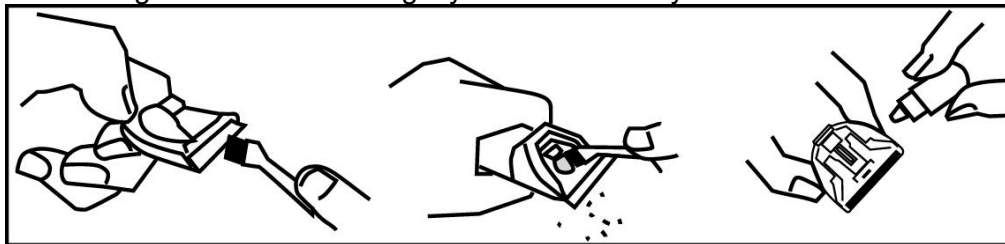

TRAVEL LOCK

- The Groomer has a switch lock function to prevent the unit from turning on accidentally.
- To set the lock, press and hold the On/Off switch for 3 seconds, the Lock Icon flashes then goes off, the groomer is now locked.
- To exit lock mode, press and hold the On/Off switch for 3 seconds until digits shows up on display and the groomer starts to function.
- When charging in travel lock mode, the unit will exit lock mode automatically.

CLEANING AND MAINTENANCE

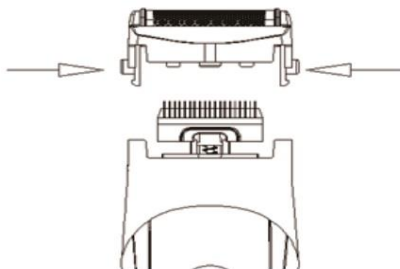

Trimmer Head

- Always switch OFF the groomer before cleaning.
- Remove the accessory and the used blade. Clean it with the cleaning brush supplied with the product.
- The cutting blades should be lightly oiled once every few haircuts.

Shaver Head

- Separate the foil from cutting blade by pressing both side buttons.
- Carefully clean using the cleaning brush provided.
- The cutting blades should be lightly oiled once every few months.

Grooming Unit

- Use a damp cloth to clean the main unit then dry it thoroughly.
- Storage the groomer and attachments in the pouch to prevent damage.

BATTERY DISPOSAL

The groomer must be disconnected from the mains power when removing the battery. The battery is to be disposed safely. Used batteries should be taken to a recycling station and not disposed of with household waste.

IMPORTANT: Always fully discharge the batteries before removal and ensure the charger is disconnected from mains power.

TECHNICAL SPECIFICATIONS

Working time	Up to 1.5 hour
Charging time	Approximately 1.5 hour
Battery Charger	SW-050100AUL
Input voltage	100-240V~ 50/60Hz
Output voltage	5V DC, 1000mA
Battery type	Li-ion, 700mAh, 3.7V (x1 cell)

12 Month Warranty

Thank you for your purchase from Kmart.

Kmart Australia Ltd warrants your new product to be free from defects in materials and workmanship for the period stated above, from the date of purchase, provided that the product is used in accordance with accompanying recommendations or instructions where provided. This warranty is in addition to your rights under the Australian Consumer Law.

Kmart will provide you with your choice of a refund, repair or exchange (where possible) for this product if it becomes defective within the warranty period. Kmart will bear the reasonable expense of claiming the warranty. This warranty will no longer apply where the defect is a result of alteration, accident, misuse, abuse or neglect.

Please retain your receipt as proof of purchase and contact our Customer Service Centre on 1800 124 125 (Australia) or 0800 945 995 (New Zealand) or alternatively, via Customer Help at Kmart.com.au for any difficulties with your product. Warranty claims and claims for expense incurred in returning this product can be addressed to our Customer Service Centre at 690 Springvale Rd, Mulgrave Vic 3170.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

For New Zealand customers, this warranty is in addition to statutory rights observed under New Zealand legislation.
