

# GLOW GAL

## RAINBOW SUNNIES

### INSTRUCTIONS

Tip: For best results, please read all instructions thoroughly before beginning projects.

**NOTE: ADULT SUPERVISION IS REQUIRED FOR THIS PROJECT.**

### WHAT YOU NEED

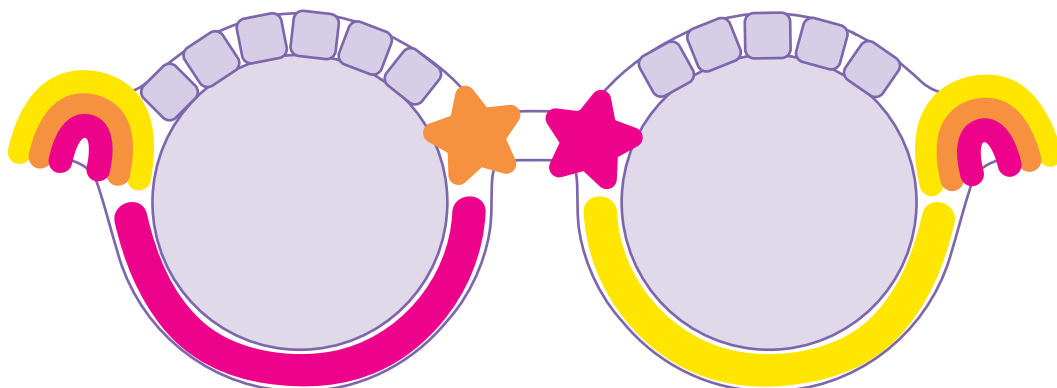

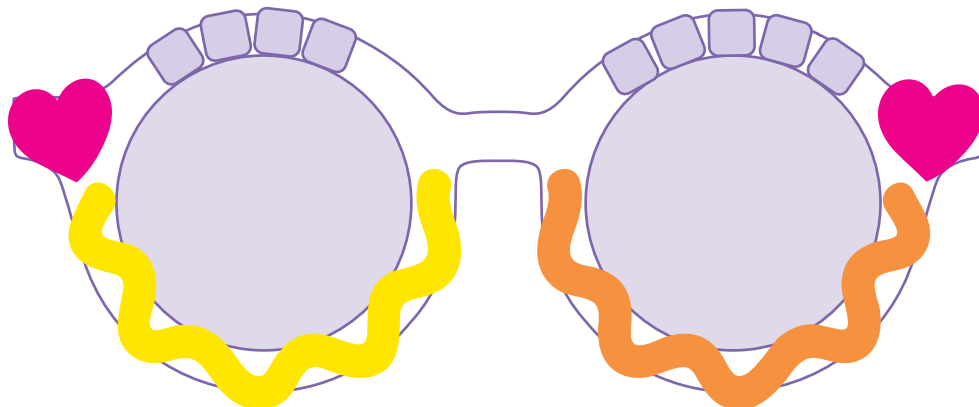

- Sunnies
- 3 air dry clay colours
- Gold alphabet beads
- Smiley face beads
- Sunflower embellishments
- Clear glue

### STEPS

Start by covering your work area with some newspaper or scrap paper. Make sure to wear an apron or old clothing to protect your clothing from mess.

- 1 Start by laying out all the contents.
- 2 Choose the words you want to have on your sunnies from the selection:
  - Chasing Sunshine
  - Good Vibes
  - Flower Power
- 3 Select letters of your chosen words and add small dots of glue to the backs of each letter. Glue letters across the top of the sunnies to create your words. Make sure to leave enough space to fit each letter. Allow to dry.
- 4 Add some embellishment with smiley face beads and sunflowers around the letters.
- 5 Don't forget the clay! Sculpt the clay into fun little shapes using the template on the back of this sheet. Once dry, glue to sunnies. Note: Once the air dry clay is open it will begin to dry.
- 6 Now you have awesome, fun sunnies to show off to your friends and family!
