3

CHARGING THE DEVICE

Charge the device before use.

- Please charge the device for minimum of 1.5 hours prior to using to extend the battery life.
- Make sure the device is turned OFF.
- Charging the device takes approximately 1.5 hours. When the battery is fully charged, the device can be used continuously for 30 min.

INSTRUCTION

Notes: To operate this product correctly, please read the following carefully before use.

- Recommend you use device when your pores open such as after applying a hot towel.
- Remove any makeup from your face, leaving your skin bare.
- Never use the appliance on skin coated with cleansing lotion or facial soap.

Note: It is normal that your skin might appear red after using the pore cleaner. The temporary redness will reduce within a few hours, depending on your skin type. If the redness lasts more than 3 days, seek medical assistance.

HOW TO USE

1. Remove the solution bottle and fill with the appropriate amount of purified water
2. Connect the water tank to the device. Make sure the straw is inserted to the filled water chamber.

4

3. Press and hold the On/Off button to turn it on, the device will operate a neutral skin level as default. Press On/Off button again to adjust different skin types (dryness or oiliness). Understand your type of skin first and test on back of your hand for a few seconds before applying on your face. Move the device in the corner of the eye, nose, lips, and other parts of care, according to the need to adjust the mode.
DO NOT focus on any one spot for more than 2 seconds. The whole cleansing process should not take more than 2 minutes.
4. After cleaning, turn off the product by holding the On/Off switch for 2 seconds. Rinse your face with facial cleanser. Use a cool towel or cold water to restore the skin. For the best effect, use moisturizing lotion or any other skin conditioner to keep your face sufficiently moisturized.

CLEANING & MAINTENANCE

Before and after each single use, please clean the device body and the suction head to ensure best performance from the device.

Before cleaning, make sure this product is turned off.

Do not immerse the product in water for cleaning. Clean the appliance with dry cloth or a cloth moistened with water.

Dry the device in a well-ventilated place. Do not dry it in direct sunlight.

Do not use alcohol, steel wool, abrasive cleansers, chemicals, or corrosive liquid to clean the body of the device.

Do not use lubricants, detergents, polishing agents, or air fresheners on this device.

BATTERY DISPOSAL

If the Pore Cleaner is to be disposed the batteries should be removed from the appliance before it is scrapped. The device must be disconnected from USB power when removing the battery. The battery should be disposed safely. Used batteries should be taken to a recycling facility and not disposed with normal household waste.

IMPORTANT: Always fully discharge the batteries before removal and ensure the USB charging cable is disconnected from power.

5

TROUBLE SHOOTING

Problem	Possible Cause	Solution
The device does not work properly.	The battery is running low or out of power.	Charge the device for 1.5 hours.
Abnormal Noise.	The suction head not installed correctly.	Turn OFF the device and install the suction head correctly.
The charging indicator does not light up.	The USB cable is not plugged correctly.	Insert the USB cable correctly into a suitable USB power source.

Note: If the device still does not work properly after going through the above solutions, please stop using the device and contact Kmart for replacement or refund.

12 Month Warranty

Thank you for your purchase from Kmart.

Kmart Australia Ltd warrants your new product to be free from defects in materials and workmanship for the period stated above, from the date of purchase, provided that the product is used in accordance with accompanying recommendations or instructions where provided. This warranty is in addition to your rights under the Australian Consumer Law.

Kmart will provide you with your choice of a refund, repair or exchange (where possible) for this product if it becomes defective within the warranty period. Kmart will bear the reasonable expense of claiming the warranty. This warranty will no longer apply where the defect is a result of alteration, accident, misuse, abuse or neglect.

Please retain your receipt as proof of purchase and contact our Customer Service Centre on 1800 124 125 (Australia) or 0800 945 995 (New Zealand) or alternatively, via Customer Help at Kmart.com.au for any difficulties with your product. Warranty claims and claims for expense incurred in returning this product can be addressed to our Customer Service Centre at 690 Springvale Rd, Mulgrave Vic 3170.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

For New Zealand customers, this warranty is in addition to statutory rights observed under New Zealand legislation.
