**Water tank**

The machine has a water shortage detector which will automatically power off the unit if water is too low. Please ensure there is always adequate water to avoid damaging the diffuser.

**Auto shut off function**

When water is running out, the unit will switch off. The machine will automatically power off if abnormal overheating is detected.

**Operation**

Open the top cover. Add water up to max water level into the water tank then add 2 to 3 drops of essential oil, depending on your preference of more or less fragrance.

**Cleaning and maintenance**

The machine should be cleaned after using for 3-5 days continuously, to keep it working normal and extend the lifetime.

1. Unplug the machine before cleaning.
2. Please clean water tank with a brush and white vinegar or the dilution of detergent and warm water. Others part of the cover can be cleaned with a soft cloth.
3. Please do not put the whole machine or base into water. Temperature of water cannot be over 40 degrees to clean.

正面

**Troubleshooting**

If you start the diffuser but it doesn't work, please check the following diagnosis.

Problems	Possible Reasons	Solution
No electricity, no working.	Power not connected	Connect the power, press the button.
	Power wire broken or adaptor burnt out.	Please contact local retailer.
Unable to spary mist or spray is bad	Is the water leave low?	Please fill with more water.
	Is there too much water inside the tank?	If the water volume exceeds 180ml (max water line), the mist volume will be minimal.
	Is the ceramic disc dirty?	Please clean the water tank.
	Is the top cover correctly placed?	Please place top cover in the correct sport.
Main body is leaking water.	Is the bottom air inlet dirty?	Please clear away the dust in the bottom air inlet.
	Is the top cover correctly covered?	If the top cover is not correctly covered, the water will splash out and fall onto the machine body or table.
	Condensation water on the body may be caused by low-temperature or a humid environment.	please avoid low-temperature and humid environments.

**12 Month Warranty**

Thank you for your purchase. Your new product is warranted to be free from defects in materials and workmanship for the period stated above, from the date of purchase, provided that the product is used in accordance with accompanying recommendations or instructions where provided. This warranty is in addition to your rights under the Australian Consumer Law. For New Zealand customers, this warranty is in addition to statutory rights observed under New Zealand legislation.

We will provide you with your choice of a refund, repair (where possible) or exchange (availability dependent) for this product if it becomes defective within the warranty period. The business will bear the reasonable expense of claiming the warranty. This warranty will no longer apply where the defect is a result of alteration, accident, misuse, abuse or neglect.

Please retain your receipt as proof of purchase and contact our Customer Service Centre as listed below, for the entity you purchased this product from, for any difficulties with your product. Warranty claims and claims for expense incurred in returning this product can be addressed to the respective Customer Service Centre.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
