## Play Options

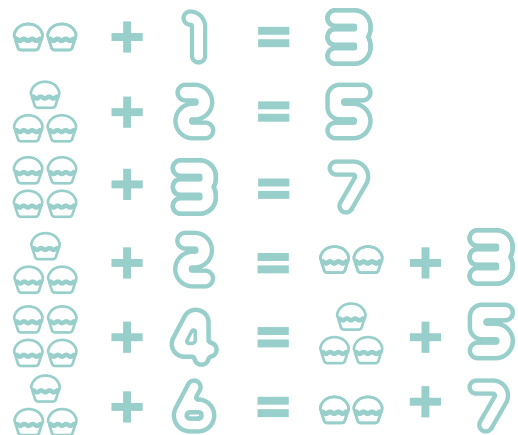

Learn to use numbers and solve arithmetic problems.

**Game 1: Practice with numbers and weights**  
Children learn about the relationship between numbers and quantities with the help of the cupcakes and the number weights by balancing the scales.

**Game 2: Simple arithmetic tasks**  
Practice simple addition and subtraction with your child using the cupcakes and number weights.

**Game 3: Welcome to the Cupcake Shop**  
Get creative and take turns buying and selling the colourful cupcakes.
