BEAD SET

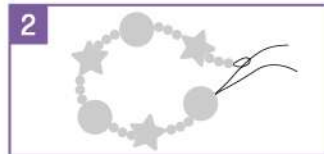

You can mix and match the beads on the box lid before threading your bracelets.

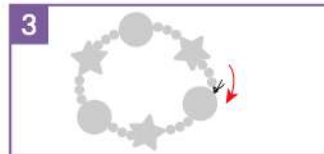

STYLE 1

1 Fold the elastic in half and thread the beads.

2 After bracelet is a suitable length, thread one strand into the loop and tie a knot.

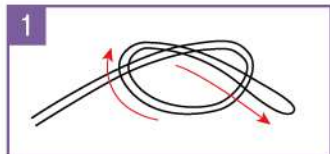

3 Cut the rest off (scissors not included) and hide the knot in the beads.

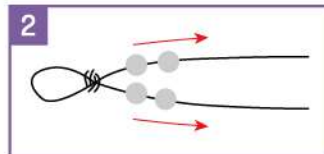

4 Decorate the bigger beads with stickers.

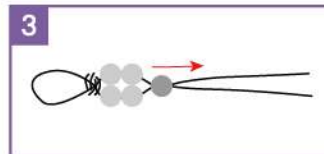

STYLE 2

1 Fold the elastic in half and tie a knot in the end.

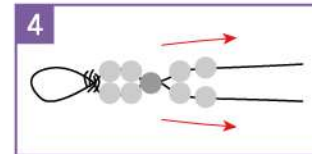

2 Divide the elastic into two strands and thread two beads on each strand.

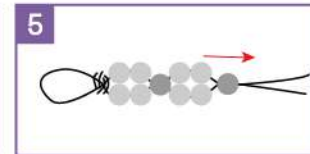

3 Thread one bead through both strands and pull the beads to be close together.

148x170mm

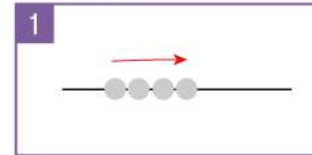

4 Repeat the process until the length can wrap loosely around your wrist.

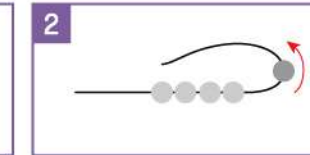

6 Tie a knot.

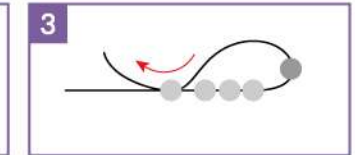

STYLE 3

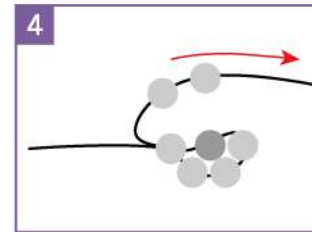

1 Thread four of the same coloured beads onto the elastic as the flower petals.

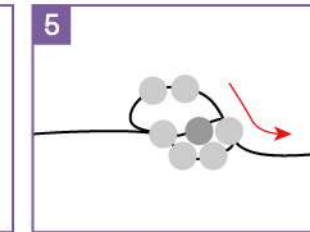

2 Then add a different coloured bead onto the elastic.

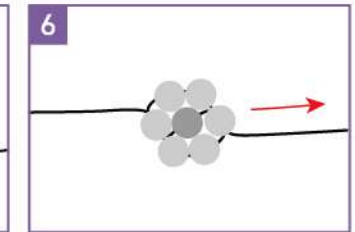

3 Thread the top end of elastic through the first bead in the opposite way.

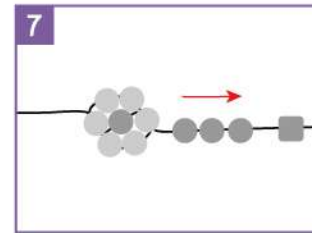

4 Thread two flower petal coloured beads.

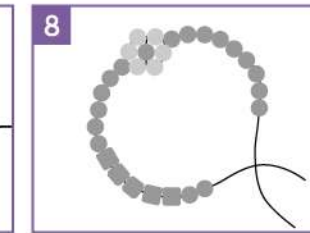

5 Thread the elastic through the fourth bead.

6 Pull the elastic tightly to create a flower shape with the beads.

7 Keep threading beads in your preferred style until the bracelet is a suitable length

8 Tie a knot.
