# Decorate Your Own Halloween Pumpkins

**3+**  
years

## DIRECTIONS:

1. Find a flat surface that you can use as your work area.
2. Cover your work area with newspaper or paper towels.
3. Lay out all of your material in front of you.
4. Put on an apron or art smock before you paint.
5. Keep a cup of water near to thoroughly wash the paint brush after applying each colour.
6. Close the paint lids after each use to prevent paint from drying.

## TIPS:

1. Add some water to the paints if they look too dry or sticky.
2. Let the painted plasters dry completely after you have finished painting.
3. Refer to the packaging box as inspiration when painting, or create your own designs.
4. Mix different paints together to create new colours.
5. Once the plaster is dry, decorate the pumpkins freely, using the box as a guide or inspiration.

Note: Mixing Black and White will make a close shade to Grey.
