6+ years

Decorate your mask with EVA stickers.

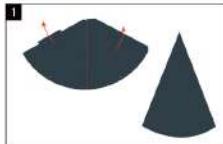

Twist the chenille stick, and stick it onto the back of the mask.

Thread the elastics through the 2 holes of the mask and tie a knot on each side.

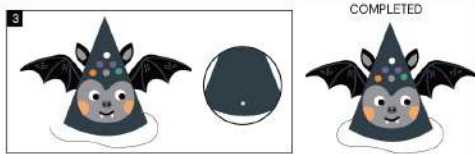

COMPLETED

Fold the cardboard to make a hat.

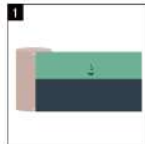

Decorate your hat using the decorative card, pom-poms and googly eyes with the white glue.

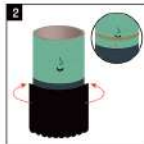

COMPLETED

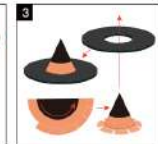

Thread the elastics through the 2 holes on the hat and tie a knot on each side.

Wrap the coloured paper around the paper tube with double sided tape.

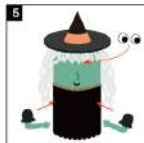

Wrap the cloak shaped EVA sheet around the body with white glue. Wrap the gold chenille stick around where the paper and EVA sheet are connected.

Fold and glue the colourful card into a cone shape. Then glue it through the EVA loop to complete the hat.

Place the white yarns symmetrically at the top of the paper tube and glue the hat on.

Stick the googly eyes and arms onto the body.

Add the broom stickler onto the gold chenille stick and attach onto the character.

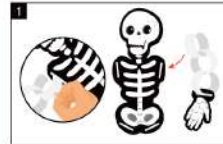

COMPLETED

# Halloween Craft Tub

6+ years

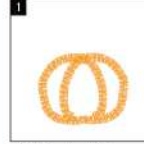

Put a piece of paper chain through the hole of the EVA hand and stick the two sides together. Continue to string the two paper rings one by one, and thread the third paper ring through the hole of EVA body to finish the arms.

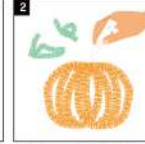

COMPLETED

Repeat Step 1 to complete the legs and feet.

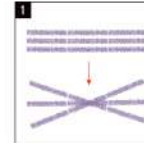

Fold the chenille stick to make a pumpkin design.

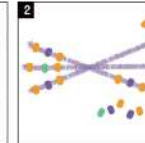

Fold the green chenille stick to make a pumpkin stalk, and stick it onto the top of the pumpkin.

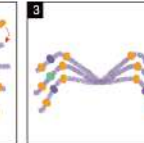

COMPLETED

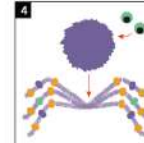

Fasten the three chenille sticks together at the middle.

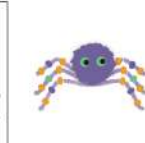

String the beads onto the chenille sticks.

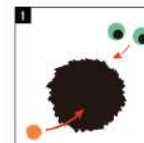

Fold the chenille sticks into a leg shape.

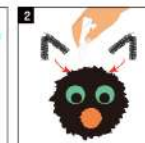

Stick the googly eyes onto the pom-pom and then glue it to the top.

COMPLETED

Stick the googly eyes and small pom-poms with white glue to decorate the big pom-poms.

Fold the chenille sticks to make ears, and stick to the top of the big pom-poms.

COMPLETED
