Specification

K: 43-430-611 | T: 69-721-960
Input Voltage: 5V=1A dc
Speaker Power Output: 5W
Bluetooth Version: 5.3
Speaker Battery: 1200mAh
Wireless Microphone Battery: 400mAh
Charging by USB-C cable (cable included)

12 Month Warranty

Thank you for your purchase.
Your new product is warranted to be free from defects in materials and workmanship for the period stated above, from the date of purchase, provided that the product is used in accordance with accompanying recommendations for instructions where provided. This warranty is in addition to your rights under the Australian Consumer Law.
For New Zealand customers, this warranty is in addition to statutory rights observed under New Zealand legislation.

We will provide you with your choice of a refund, repair (where possible) or exchange (availability dependent) for this product if it becomes defective within the warranty period. The business will bear the reasonable expense of claiming the warranty.
This warranty will no longer apply where the defect is a result of alteration, accident, misuse, abuse or neglect.

Please retain your receipt as proof of purchase and contact our Customer Service Centre as listed below, for the entity you purchased this product from, for any difficulties with your product. Warranty claims and claims for expenses incurred in returning this product can be addressed to the respective Customer Services Centre.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Bluetooth® Karaoke Speaker with Wireless Voice Modifying Microphone Operating Instructions

- Includes:
- > Bluetooth® speaker
 - > wireless microphone
 - > USB-C charging cable
 - > user manual

K: 43-430-611 | T: 69-721-960
MODEL: NVK25-WH

Safety Instructions

- Do not disassemble this product.
- The speaker shall not be exposed to dripping or splashing and objects filled with liquids.
- Do not expose speaker to water while charging. It may result in permanent damage to the speaker or power source.
- Keep the speaker away from direct sunlight, fire flames or other heat sources and high voltage equipment.
- Working temperature: -10°C ~ 40°C.
- To prolong battery lifespan, fully charge at least once every 3 months. Battery life will vary due to usage patterns and environmental conditions.
- Disposal of this speaker, and the battery should be in accordance with local government requirements.
- Battery cannot be subjected to extreme high or low temperatures, low air pressure at high altitude during use, storage, or transportation.
- Replacement of a battery with an incorrect type that can result in an explosion or leakage of flammable liquid or gas.
- Disposal of a battery into fire or a hot oven, or mechanically crushing or cutting of a battery, that can result in an explosion.
- Leaving a battery in an extremely high temperature surrounding environment that can result in an explosion or the leakage of flammable liquid or gas.
- A battery subjected to extremely low air pressure that may result in an explosion or the leakage of flammable liquid or gas.
- This product must not be connected to power supply source exceeding PS1 (5V d.c. 3A).

Speaker Function Overview

- Mode Switch / LED Lights
- Volume Down / Previous Track
- Power ON/OFF, Play / Pause
- Volume Up / Next Track

- USB-C Charging Port
- TF Card Slot
- USB Port
