Paint Your Own Christmas Mug

8+
years

1. Protect clothing and work surfaces before starting as product may stain surfaces.

2. Wash the mug with dish soap and water, and let it dry before moving onto Step 3.

Tip! Stir each paint pot to mix the paint prior to use. If the paint appears to be too thick, add a few drops of water and mix thoroughly.

3. Paint the mug using the paint and brush included in the kit.

Tip! To achieve the best results and brightest paint colours, allow the painted mug to dry for 24 hours before use.

TIPS:

1. Let the painted mug dry completely after you have finished painting.
2. Refer to the packaging box as inspiration when painting.
3. Mix different paints together to create new colours.
