

尺寸: 85x115mm 2023.05.12

Mounting Instructions:

Choose one of following mounting options to hang your board.

Magnets: Use with boards for mounting on any metal surfaces.

TO USE: Apply a piece of tape to each of the four pieces of magnet. Remove the tape backing from adhesive to adhere the magnet to each side of the four corners, as shown in the diagram. Hang board on any metal surfaces.

Double-sided foam tape: Use with board for mounting on smooth wall surfaces.

TO USE: Apply one piece of foam tape to each of the four corners, as shown in the diagram. Remove the tape backing and position on the wall. Press firmly on all four corners.

WARNING: May become permanent after 72 hours.
May cause damage to surface or be difficult to remove.
