**Care Instructions:**

Hand wash only. Wash with warm soapy water before first use.

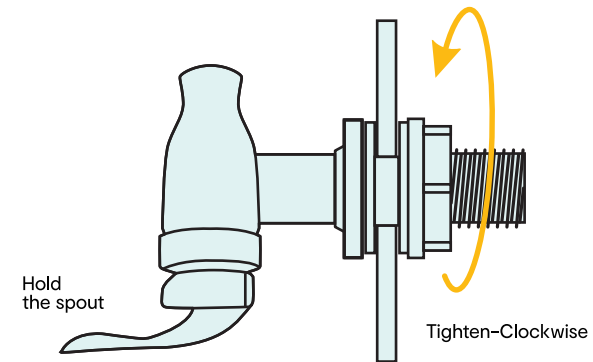

**Caution:**

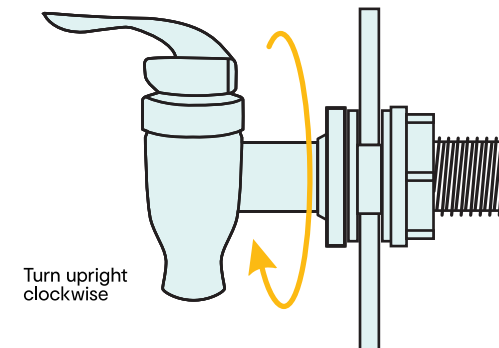

- > Keep out of reach of children.
- > Breakable, handle with care.
- > Do not move when full.
- > Not recommended for hot liquids or carbonated drinks.
- > Ensure the spout has been tightened as per the instructions below prior to using.
- > To allow a consistent flow of liquid from the dispenser, do not fully tighten the lid.

**Assembly instructions**

**Step 1** with the spout upside down, hand tighten the nut clockwise on the inside of the drink dispenser.

**Step 2** while holding the nut with one hand, turn the spout (through half a turn) clockwise with your other hand to tighten firmly.

**Step 3** If the drink dispenser has any leaks, tighten the nut slightly to obtain a tighter seal.
