

ASSEMBLY INSTRUCTIONS

BICYCLE VALET STAND

CONTENTS:

1pc	TOP RACK (A)
1pc	FLOOR STAND BIKE HOLDER (B)
1pc	FLOOR STAND BRACE & ACCESSORY BAR MOUNT (C)
1pc	FLOOR STAND BASE (D)
6pcs	BOLTS (E)
18pcs	NYLON WASHERS (F)
6pcs	NUTS (G)
4pcs	BRACKETS WITH FASTENERS

ASSEMBLY:

1. Position the Floor Stand Base (D) flat on the ground as shown in Fig.1
2. Attach the Floor Stand Bike Holder 'B' to the Floor Stand Base 'D'. Insert a bolt (E) through a nylon washer (F) up from the bottom of component 'D', then through a second nylon washer (F) then through component 'B', then through third nylon washer (F), and then through a nut (G).
DO NOT completely tighten at this time. Repeat this process for the opposite side. Refer to illustration in Fig.2 for the bolt, nut, washer and component assembly.
3. Position the Floor Stand Brace & Accessory Mount (C) as shown in Fig.1.
4. Attach the Floor Stand Brace & Accessory Bar Mount (C) to the Floor Stand Base (D). Insert a bolt (E) through a nylon washer (F) up from the bottom of component 'D', then through a second nylon washer, (F) then through component 'C', then through a third nylon washer (F), and then through a nut (G). DO NOT completely tighten the nut (G) at this time. Repeat this process for the opposite side. Refer to illustration in Fig.2 for the bolt, nut, washer and component assembly.
5. Attach the Floor Stand Brace (C) to the Floor Stand Bike Holder (B). Insert a bolt (E) through a nylon washer (F), then through component 'B', then through a second nylon washer (F), then through component 'C', then through a third nylon washer (F), and then through a nut (G). DO NOT completely tighten the nut (G) at this time. Repeat this process for the opposite side. Refer to illustration in Fig.2 for the bolt, nut, washer and component assembly.
6. Attach the Top Rack (A) to component "C". The Top Rack (A) slips onto each end of the Floor Stand Brace & Accessory Mount Bar (C).
7. Tighten ALL hardware after attaching the Top Rack (A).
8. Brackets and fasteners (for wooden floor) for securing the Floor Stand Base (D) of the Bicycle Valet Stand are included.
9. You are now ready to use your Bicycle Valet Stand.
