### TIPS :

1. Use the included glue to hold the plywood pieces together.
2. Add some water to the paints if they look too dry or sticky.
3. Let the painted pieces dry completely after you have finished painting.
4. Let the painted box dry completely before you stick on the decals.
5. Keep the box nearby so that you can look at the picture for inspiration.
6. Freely mix up colours to create new ones.
7. Put the drawer in the box after the glue has dried or the drawer will stick to the box.

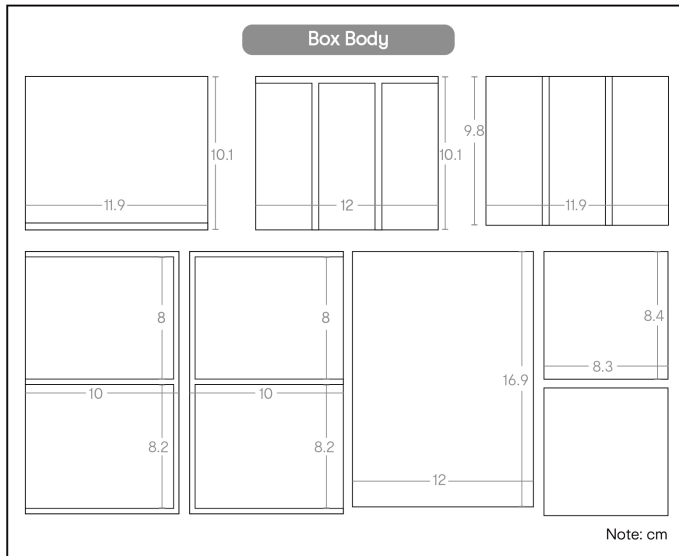

### DIRECTIONS 1 :

1. Find a flat surface that you can use as your work area.
2. Cover work area with newspapers or paper towels.
3. Lay out all your materials in front of you.
4. Put on an apron before you paint.

### DIRECTIONS 2 :

#### 1. How to build the box :

Assemble the wooden pieces by matching the same dimension to each other, then repeat this action until the box is assembled.
