Warning

- This light is suitable for **INDOOR AND OUTDOOR USE**.
- The AC adaptor **MUST** be installed only **INDOORS** and kept away from weather.
- This product is **NOT** designed for permanent or long-term use.
- The supplied adaptor is suitable for operation of LED Modules only.
- Only operate this light set with the supplied adaptor "Model: JT-EL/FC3V1.5W-H6"
- Do not interconnect parts of this lighting chain with parts of another manufacturer's lighting chain.
- Do not connect this light to the power supply while it is in the packaging.
- **DO NOT** attempt to replace the non-replaceable bulbs in this light.
- Never allow any part of the light set to come into contact with a source of heat or flame.
- Care must be taken to avoid damage the cable or fittings.
- If any part of light set or cable is damaged, the light set **MUST** be discarded.
- This product is for use as a decoration only. Not to be used by children as a toy. Keep out of reach of children.
- Do not position this light where it will be exposed to extreme wet weather or submerged in water.
- Always switch off this light set or unplug an adaptor if unattended.
- **DO NOT** overload power sockets or extension leads.
- **DO NOT** pierce the cable when securing in place, as this will damage the bulbs or wiring.
- Please refer to the packing or product rating label for product class, specifications and rating.
- Interconnection shall be made only by the use of the supplied connectors. Any open ends must be sealed-off before use.

20 BULB STRING LIGHTS

These instructions are for your safety. Please read through them thoroughly before use and retain for future reference.

Before You Start

- Decide on an appropriate location for your product (see Installation instructions below).
- If you have any doubt about installing this product, consult a qualified electrician.

Installation instructions :

- 1) This light is suitable for **INDOOR AND OUTDOOR USE**.
- 2) The AC adaptor is for **INDOOR use only**.
- 3) This light set is constructed with non-replaceable bulbs.
- 4) Do not position or place near heaters or any other direct sources of heat.
- 5) This product is suitable for positioning on surfaces which have normal flammability, e.g. wood, plasterboard, masonry. However this does not include highly flammable surfaces (e.g. polystyrene, textiles).
- 6) Always position cables and extension leads so that they will not be a hazard to pets and children.
- 7) **DO NOT** position this light set where it may become covered by other items e.g. nets or bedding.
- 8) Ensure the unit is positioned so that you have enough cable to reach an indoor mains power socket. (or use an outdoor extension cord)
