wowcloud!

Remote Controlled Thunder Cloud

6+ Years
Item #19988
Adult assembly of WOWCloud! required

Includes: WOWCloud! Remote control Adhesive hook

*Cloud requires 3 AAA (1.5V) batteries (included & preinstalled).
*Remote requires 2 LR44 (1.5V) replaceable button cell batteries (included & preinstalled).

1

Slowly remove your new WOWCloud! from the packaging and lay it on a flat surface.

Next, remove the clear acetate battery tab hanging from the bottom of the WOWCloud! by pulling down gently.

2

Very GENTLY and slightly fluff it up on both sides. Be careful not to pull on it too much or you will remove parts of the cloud completely.

If small pieces of "cloud" become separated from the WOWCloud!, dispose of them immediately and keep away from small children and pets.

3

An adult can now use the adhesive hook included to hang the WOWCloud!. Peel and stick to a clean, flat surface of the ceiling. Press down firmly all around the adhesive to ensure it is fully adhered to the ceiling.

Do not hang WOWCloud! where it could fall and hurt people or animals. Do not hang over crabs, beds, bookshelves or fragile objects.

4

Once hung, you are ready to use your remote control to command your WOWCloud!'s realistic thunder & lightning!

- (1) Press once to turn on lights & sound.
- (2) Press twice for silent mode.
- (3) Press three times to power off.

ADULT NEEDED FOR BATTERY REPLACEMENT

BATTERY REPLACEMENT IN WOWCloud!

From the bottom of your WOWCloud!, slip your hand up inside towards the middle section in order to locate the battery door on the main unit. The battery door is facing downward for best access. Use a small Phillips head screwdriver to open the door and replace with 3 AAA (1.5V) batteries. Make sure you insert them following the diagram above (B). Then securely close the door with the screwdriver.

BATTERY REPLACEMENT IN REMOTE

Use a small Phillips head screwdriver to open the compartment on the back and replace the 2 LR44 (1.5V) button cell batteries. Position them with the "+" facing up. Replace the door and use the screwdriver to close tightly.

OTHER IMPORTANT NOTES

Make sure you choose the perfect spot for your WOWCloud! Once the adhesive is placed on the ceiling, it will not be able to be used again.

Removal of Adhesive Hook: To avoid damage use your fingernail to peel up the edge of the adhesive. Gently and slowly pull across to the other side until it fully releases. Do NOT pull down from the hook area.

Your WOWCloud! will automatically turn off after 15 minutes of no use to save battery life.

Includes 3 AAA batteries for the main unit and 2 button cells for the remote control.

WARNING: CHOKING HAZARD—Small parts. Not for children under 3 years.

WARNING: This product contains Button Batteries. A swallowed Button Cell Battery can cause internal chemical burns in as little as two hours and lead to death. Dispose of used batteries immediately. Keep new and used batteries away from children. If you think batteries might have been swallowed or placed inside any part of the body, seek immediate medical attention.

WARNING: CONTAINS LONG CORD. TO AVOID DANGER OF STRANGULATION—KEEP AWAY FROM BABIES AND CHILDREN.

CAUTION: Keep the WOWCloud! away from open flames and heat sources.

BATTERY SAFETY INFORMATION:

- Non-rechargeable batteries are not to be recharged.
- Rechargeable batteries are to be removed from the Laser Blaster before being charged.
- Rechargeable batteries are only to be charged under adult supervision.
- Different types of batteries or new and used batteries are not to be mixed.
- Only batteries of the same or equivalent type as recommended are to be used.
- Batteries are to be inserted with the correct polarity.
- Discharged batteries are to be removed from the Laser Blaster.
- The supply terminals are not to be short-circuited.
- Keep packaging and instructions for future reference since it contains important information.
- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc) or rechargeable (nickel-cadmium) batteries.
- Alkaline Battery is Recommended.

WARNING: THIS PRODUCT REQUIRES/CONTAINS BUTTON BATTERIES - HAZARDOUS IF SWALLOWED. KEEP BATTERIES OUT OF REACH OF CHILDREN.

- Swallowing may lead to serious injury in as little as 2 hours or death, due to chemical burns and potential perforation of the esophagus.
- If you suspect your child has swallowed or inserted a button battery immediately call the 24-hour Poison Information Centre in New Zealand on 0800 009 009, 911 or contact your country's emergency dept. for help, expert advice.
- Examine devices and make sure the battery compartment is correctly inserted, e.g. that the cover or other mechanical features is tightened. Do not use if the compartment is not secure.
- Dispose of used button batteries immediately and safely. Flat batteries can still be dangerous.
- Tell others about the risk associated with button batteries and how to keep their children safe.

WARNING! Button cell batteries can cause serious injury or death if swallowed. Dispose of safely! Store batteries out of reach of children! visit TheBatteryControlled.com.au

WARNING: Dispose of used batteries immediately. Keep new and used batteries away from children. If you think batteries might have been swallowed or placed inside any part of the body, seek immediate medical attention.

0-3 **WARNING: CHOKING HAZARD**
