1. Please twist loose the knob screw of the fixed mount (#9) on the tripod stand (#5), to loose the LED tube (#6/#7/#8) to adjust the size of the fixed position.
2. After twist loosen the knob screw from the fixed mount, please grasp the black center tube (#1) with one hand and push the fixed mount (#5) with another hand and push it down; Or grasp any two of LED tubes with both hands (#6/#7/#8) to pull out, and adjust a suitable fixed size, then tighten the knob screw of the fixed mount (#9).
3. Loosen the two knob screws on the center tube (#2, #3) to adjust the height of the tripod stand.
4. After adjusted the height of the tripod stand, please must tighten the knob screws of the center tube (#2, #3) and insert the pin (#4) to the corresponding hole of the tripod stand to fix the height, to prevent the center tube fall off.
5. There is a groove at the bottom of the speaker (#10), please correspondingly to place the speaker on the top of the center tube of the tripod stand, also tighten the knob screw on the rear of the speaker (#11) to prevent the speaker fall off.

NOTE:

1. Please use and place the tripod stand on a flat ground to avoid unbalanced placement.
2. When the speaker and the tripod stand are used together, please ensure tighten all knob screws from both.
3. Please don't place the speakers with different hole sizes to the tripod stand, which may cause unstable and fall down, may hurt the people.
4. The Tripod stand height up to 2.3M, recommend to use for 1.6M, too high may cause knock down.
5. The most stable fixed size between two LED tubes is between 65cm to 85cm.
6. Please take care of the children not to touch or play with the tripod to prevent accidentally push down.
7. Only use the tripod with this speaker only.

Connect to Wired Microphone

Insert 6.35mm wired microphone, and use control knob to adjust the sound level.

When playing with the wired microphone, please use this knob to adjust the volume of microphone.

When playing with the wired microphone, please use this knob to adjust the echo volume of microphone.

Important Notes

While using the microphone, avoid being put the microphone opposite the bass of Party Speaker, as they may have Whistler Noisy.

To get the best singing performance, keep the microphone within 5-15cm of the mouth and at a 45 degree angle.

When using the microphone, always pay attention to the battery. If the battery is low, the indicator light will come on and the performance will progressively become poor.

Caution: Please do not put the microphone directly face to the Party speaker, it may damage the speaker.

12 Month Warranty

Thank you for your purchase from Kmart.

Kmart Australia Ltd warrants your new product to be free from defects in materials and workmanship for the period stated above, from the date of purchase, provided that the product is used in accordance with accompanying recommendations or instructions where provided. This warranty is in addition to your rights under the Australian Consumer Law.

Kmart will provide you with your choice of a refund, repair or exchange (where possible) for this product if it becomes defective within the warranty period. Kmart will bear the reasonable expense of claiming the warranty. This warranty will no longer apply where the defect is a result of alteration, accident, misuse, abuse or neglect.

Please retain your receipt as proof of purchase and contact our Customer Service Centre on 1800 124 125 (Australia) or 0800 945 995 (New Zealand) or alternatively, via Customer Help at Kmart.com.au for any difficulties with your product. Warranty claims and claims for expense incurred in returning this product can be addressed to our Customer Service Centre at 690 Springvale Rd, Mulgrave Vic 3170.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

For New Zealand customers, this warranty is in addition to statutory rights observed under New Zealand legislation.
