12 month warranty

Thank you for your purchase from Kmart.

Kmart Australia Ltd warrants your new product to be free from defects in materials and workmanship for the period stated above, from the date of purchase, provided that the product is used in accordance with the accompanying recommendations or instructions where provided. This warranty is in addition to your rights under the Australian Consumer Law.

Kmart will provide you with your choice of a refund, repair or exchange (where possible) for this product if it becomes defective within the warranty period. Kmart will bear the reasonable expense of claiming the warranty. This warranty will no longer apply where the defect is a result of alteration, accident, misuse, abuse or neglect.

Please retain your receipt as proof of purchase and contact our Customer Service Centre on **1800 124 125 (Australia)** or **0800 945 995 (New Zealand)** or alternatively, via Customer Help at **kmart.com.au** for any difficulties with your product. Warranty claims and claims for expense incurred in returning this product can be addressed to our Customer Service Centre at 690 Springvale Rd, Mulgrave Vic 3170.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

For New Zealand customers, this warranty is in addition to statutory rights observed under New Zealand legislation.

Bluetooth® On-Ear Headphones

Operating instructions

Includes:

- › Bluetooth® headphones
- › charging cable
- › audio cable

43-001-170

Bluetooth name is KM43001170

Pairing the headset with Bluetooth devices

- › Once the headphone is powered on, you will hear a voice prompt "Power On", the headphone will then pair to the last paired device.
- › If not previously paired, search on your electronic device's Bluetooth menu and select the pairing name **KM43001170**.
- › Once connected you will hear a beep sound a voice prompt "The Bluetooth device is connected successfully".
- › To shut down the Bluetooth function on the connected device, the headphone will go to pairing mode again with red and blue LED flashing and is available to be connected with a different device.

Aux Mode

To switch to Aux mode, insert the Aux Cable into the headphone, and the 3.5m Jack end into your mobile device or computer. Bluetooth mode will automatically switch off.

Battery Charging

- › Please use the provided USB cable to charge the battery.
- › Insert the micro USB cable end into the headphone charging port.
- › Insert USB charging cable into an appropriate 5V 1A USB port.
- › The LED will turn red when charging and turn blue when the headphone is fully charged.
- › It takes max 3 hours to fully charge the battery.
