Make Your Own 2 Woven Craft Frames

3+ years

1. Turn your frame over and tie the white yarn to the first string, then turn the frame back.
2. Thread end of the white yarn through the needle hole, then weave the needle over and under each string for 15 strands, gently pull the yarn through. Zigzag the needle in the opposite direction.
3. Continue to weave back and forth until you have 5 rows, on the 6th row reduce 1 string on the left side and weave a further 3 rows. You should now have a total 8 rows of white yarn.
4. Adjust the cloud shape by hand, and keep the cloud bottom 3cm away from the below frame.

5. Tie the red yarn on the back of the weaving.
6. Thread end of the yarn through the needle hole, then weave the needle over and under each string for 2 strands, gently pull the yarn through.
7. Continue to weave back and forth until you have 4 rows.
8. On the 5th row weave the yarn to the first string and keep weaving to get a further 3 rows.

9. Tie the yarn on the back of the weaving and cut the excess part carefully (scissors not included).
10. Weave the pink, yellow, green & purple yarn following the same format as the red yarn.
11. Thread the green yarn through needle and tie a knot, then poke through the woven cloud from back, pushing the needle front through the cloud to create a stitch.
12. Weave a circle stitch around the shape of cloud, then tie the yarn from back and cut the excess part.

13. Thread white knitting wool through needle and poke through the center of pink tassel.
14. Tie a knot at the end of the white knitty wool.
15. Put the needle through the weaving vertically and thread out from back.
16. Poke another yellow tassel in and tie a knot. Thread another 2 tassels following the same format as pink and yellow tassels.

17. Attach sequins to finish.
