

Assembly Instruction

43022540 3 TIER CHROME SHELVING UNIT

CARE INSTRUCTIONS:

Wipe clean with a soft damp cloth. Put the shelving on the flat ground. It's better to fix it to the wall. The maximum safe load on each tier is 50kg evenly distributed. Place heavier loads on the lower shelves and never just load the top shelf only.

WARNING:

Do not stand or sit on the unit. Do not lean on the product. Do not drag the product. Use only on a flat surface. Do not use until all screws, bolts and knobs are firmly secured. This product contains small parts and sharp points, keep away from children and babies. Adult assembly required. As a minimum the lowest shelf should be lower than 60cm from the floor. Failure to follow these warnings could result in serious injury.
