Instruction manual
Keycode: 43033065
Selfie 10" Tabletop

How to assembly

1. Insert the screw ring to the bottom of the ball joint. Insert the phone clip to the bracket and screw it.

2. Screw the phone holder into the ring light.

3. Screw the ring light, tripod head and tripod together

Note: Carefully rotate or tilt the lamp ring to the desired position. The ring can horizontal rotate by 360°. When turn the ring light forward and back, it must toward the same direction of the tripod foot, so that the tripod can stand firmly, below is the example for reference.

The light source of this luminaire is not replaceable; when the light source reaches its end of life the whole luminaire shall be replaced

Input: DC 5V 1.5A max
Light mode
