Step 5.

Connect tunnels (F) and (G) together. Connect the tunnel door (E) to tunnel (F). See image below.

Step 6.

Hook the tunnel (G) on the pet crate (A). Please make sure the hook is tight.

Note:

Read these instructions carefully and familiarise yourself with the procedure before assembling the unit.

Ensure you have enough space to lay out all the parts before assembly. To avoid scratching it is recommended that you assemble the unit on a soft level surface.

Warning:

For pet use only.

Always supervise your pet during play.

For your pet's safety, inspect regularly and remove if damaged.

Do not sit or stand on this unit. Do not lift when in use or with pet.
