Installation:

Before adhering strip lights, clean the surface of the area you will be placing the lights on. It is recommended to apply your strip lights on smooth stable surfaces. It should not be placed on rough, textured or painted wall surfaces or any surfaces that can bend or move.

Warning:

1. The light source of this luminaire is not replaceable; when the light source reaches its end of life the whole luminaire shall be replaced.
2. Do not connect the strip light to the power while it is in the packaging or wound onto a reel.
3. Do not use the strip light when covered or recessed into a surface.
4. Do not open or cut the strip light.
5. This product should only be used with the supplied power adapter or an official replacement.
6. For indoor use only.

Warning: This product produces flashing lights that may trigger epilepsy in sensitive individuals..
