

INFLATABLE AIR TRACK MAT

Key Code: 43140275

Warning

- **CHOKING HAZARD**, small parts. Not suitable for children under 3 years.
- Adult assembly required.

Parts List

- Inflatable mat x1pc
- Hand-operated air pump x1pc
- Plastic wrench x1pc
- Repair patch x1pc

Use Instruction

1). Spread out the mat on the ground free of sharp point.

2). Open inflatable valve lid by counter clockwise direction.

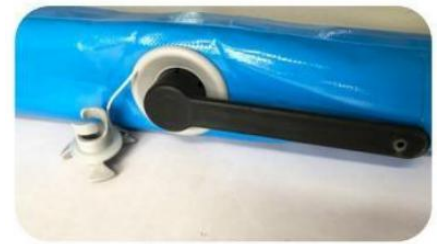

3). Press down the pressure valve, and ensure it is in open status.

4). Inflate the mat with air pump.

5). Press down the valve again after fully inflated, and ensure it is in close status.

6). Tighten up the valve with plastic wrench, then screw the lid into the valve.

Repair Instruction

If a chamber is damaged, use the provided repair patch.

1. Completely deflate the product.
2. Clean and dry the damaged area.
3. Cut a piece from the repair patch, ensure it is larger than the area to be repaired and no rounded corners to prevent peeling.
4. Apply the vinyl repair glue sparingly to patch, spreading it out evenly all over, then cover to the damaged area and smooth out any air bubbles.
5. Place a weight on the repaired area, and allow 24 hours to reach full bond strength.

Clean and Storage

1. After deflation, use a damp cloth to gently clean all surfaces. Don't use solvents or other chemicals that may damage the product.
2. Store in a cool, dry place and out of children's reach.
3. Check the product for damage at the beginning of each season and at regular intervals when in use.
