Assembly Overview Natural House 43160891

Tips for Assembly

1. Pictures shown on the package may be slightly different from the actual product.
 2. Place remaining materials back into the original bag until the installation is complete.
(Avoids materials getting lost during installation)
 3. Not too much glue should be applied. If so, the drying time will be extended
 4. Children must assemble under the guidance of adults in case of swallowing
 5. All dimensions within the instruction are shown in millimeters (mm)
 6. Find the part you need according to material list and the 1 : 1 part illustration paper (for wooden parts). Check its number and size carefully before assembling. See Part Number Explanation.
 7. Note which bags the parts are kept in based on the Material List when assembling and taking them out to use.
