Key code: 43169252

Part List

- Coloured mallets x 4pc
- Balls x 4pc
- Wickets x 10pc
- Wood stakes x 2pc
- Carry bag x 1pc

Set Up

Insert 2pc stakes and 10pcs wickets or smaller of them on the ground to form a diagram in any shape according to your playing area, and follow the order in which they are scored. Below is an example for your reference. A full size of 10-wicket set up measures 15 x 30 meters. For the inexperienced players, a smaller 7 x 15 meters playing area is recommended.

Game rules

1. Up to four players or two teams of two players.
2. Each player takes a stroke in turn, and try to hit a ball through the wicket in sequence.
3. If a ball is hit through a wicket, the player is allowed to hit their ball to next one unceasingly.
4. In a full round, a player must hit the turning stake at the top and the finishing stake at the end.
5. The aim of the game is to hit your ball with mallet through all the wickets in the correct order. The first player to complete the course is the winner.
