

HARDSHELL YOUTH KAYAK

Key Code: 43185146

Product Instructions

This product includes a kayak and a pair of paddle. It is designed for kids to enjoy kayaking above water. The central molded and front carry handles provide easy lifting and less effort for loading onto roof racks. With a rear bungee storage area, the construction is well balanced and stable while using.

Use Instructions

Sit in the cockpit area of the kayak, centered in the provided seat area. Stepping on the foot braces, secure your feet so your knees are bent and feel sturdy. Paddles with your arms evenly apart at a desired speed by switching back and forth from one side to the other. The paddle should enter into the water around your shins and pull out of the water around your hips.

Note: Your bag and belongings can be placed at the rear area by fixed with the black bungee. If you have additional baggage, It is safety to place it in the cockpit area between your two legs.

Warning

- The kayak is not a lifesaving device. Failure of incorrect using may cause death or injuries to health.
- Always wear a personal flotation device while using.
- Don't dive or jump into water. A competent supervision is required when using.
- No protection against drowning. Swimmers only.
- Don't use in white water. Don't use in breaking waves.
- Don't use in offshore current. Don't use in offshore wind.
- The maximum occupancy is 1person, the maximum weight capacity is 59kg.
- Always check your equipment prior to each use for signs of wear or failure.

Care and Storage Instructions

1. Clean the kayak by rinsing with freshwater, especially if the kayak has been used in sea water or becomes muddy. Be sure to empty the kayak of all the water and dry it before storage.
2. Avoid placing a direct heat source on or near surface unless using a heat barrier.
3. Always store your kayak out of direct sunlight when not in use to avoid color fading over long period of times.
4. Don't stand or sit on your kayak when out of the water, this can cause damaged to the hull.
5. Periodically clean with mild soap and water is recommended to keep your kayak looking new.
