Dinosaur Assembling Video  
Scan QR Code

## STEP 1 Download the App

### AR Dino World

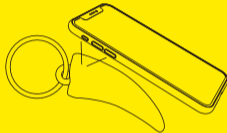

Dinosaurs in  
Augmented Reality  
Vito Technology Inc.

Scan QR Code

## STEP 2 Open the App and scan the DNA from the tooth

or

Create an account and enter the code\* to get a new dinosaur

\*Find 'DNA Code' on the cover

**STEP 3** Place the Chameleon card on any skin pattern and scan it with the App.

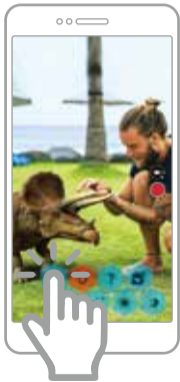

# Inject a NEW DNA

By using the Chameleon card, you can change the Dinosaur's skin or design your own.

**Let's start!**

Press the Texture Scan button  
to open the camera for scanning

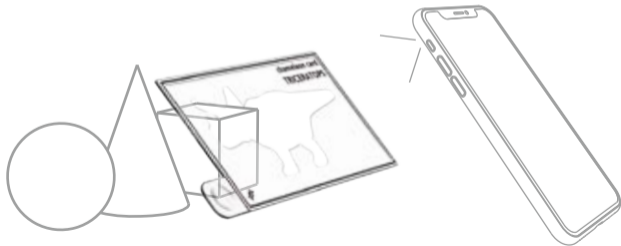

Texture Scan button

# Capture DNA from objects

Capture skin pattern from any object

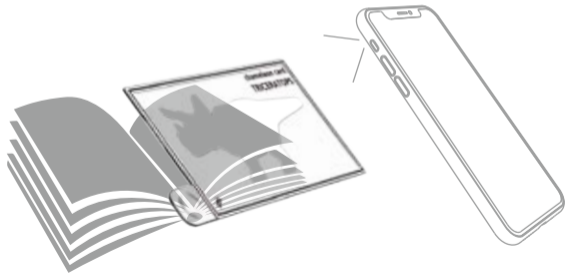

Done!

# Capture DNA from picture

Capture skin pattern from any picture

Done!

11

Place the Chameleon card on this picture

The background is a vibrant blue with a complex, glowing circuit board pattern. The pattern consists of numerous interconnected lines, nodes, and hexagonal shapes, creating a dense, futuristic aesthetic. The lines are white and light blue, with some nodes appearing as small white circles. The overall effect is that of a high-tech, digital environment.

Place the Chameleon card on this picture
