**ASSITANT RIDING MODE**

**SELF- RIDING MODE**

**FOLDED MODE**

**WARNING:** Choking hazard-contains small assembly components with functional sharp points and edges.

**WARNING:** Requires adult assembly only. Use only under adult supervision.

**WARNING:** Maximum weight 20kg/44.1lb. Always wear an approved safety helmet, knee and elbow pads when riding. This product is not designed for road use, not permitted for use on public roads or highways. Please remove all packaging attachments before giving this toy to a child. Adults should check regularly to ensure the item is assembled correctly to prevent collapsing during use. Parents or carers should ensure that children are properly instructed in the use of the trike.

**WARNING:** There is potential for fingers or parts of the body to be injured from the connections, and that due care should be exercised.

**WARNING:** An adult must read these instructions carefully before assembling, otherwise it might compromise the child's safety.

#### **Maintenance:**

1. Do not expose the trike to prolonged time in the sun or rain. Store this product in a cool and dry place.
2. The folded part and the rear axle should be oiled regularly.
3. All screw components should be checked regularly to ensure they are tightened correctly.
4. Use a damp cloth to wipe clean the trike frame.
