

How to open and fold up the lounge

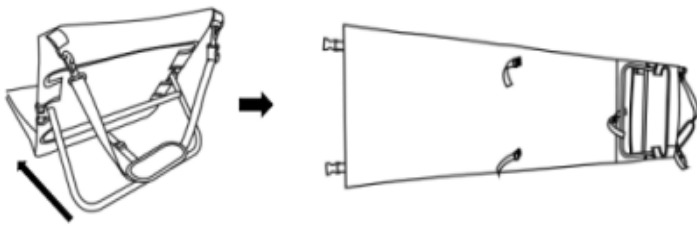

How to open:

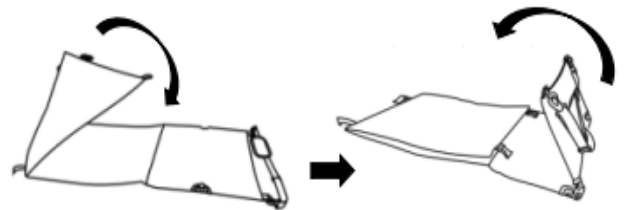

OPEN 1. Open the buckles on both sides, and open the back tube.

OPEN 2. The back strap could be adjusted to right position.

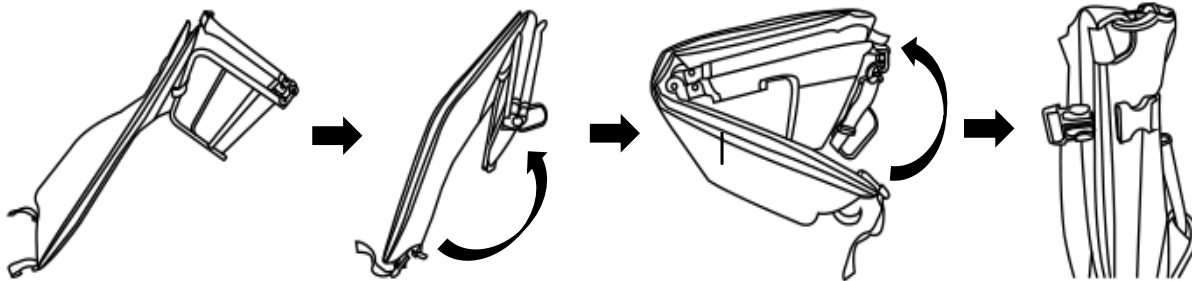

How to close:

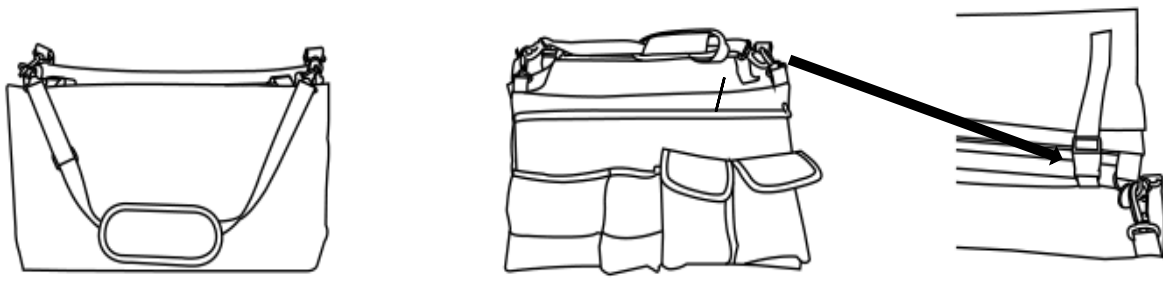

CLOSE 1. Put the leg tube in and the lounge is to be flat

CLOSE 2. Fold lounge along the sewing line in the middle, and fold up the back top tube

CLOSE 3. Then fold up the lounge around the tube, keep carry strap outside, plug in both buckles.

CLOSE 4. Finally put the bag buckle in the lounge "D" shape buckle on both sides.
