Squishy Keyring & Pen Topper Instructions

Step 1 : Use the paints provided to paint each Squishy.

Step 2 : After the paint dries, add stickers to your Squishy to create your own special designs.

Step 3 : Insert the marker into the base of the Squishy pen topper.

Step 4 : Add the wire ring through the hole at the top of the Squishy, to create your Squishy key ring.

Enjoy your very own Squishy key ring set!
